ANNEXURE—III

Note No. 24

The draft of the Tripura Dental Service Rules, 1994, as proposed by the Department, has been suitably modified. It calls for the following Comments :—

1. Method of recruitment and qualification have been specified in the Third Schedule. Rule 5 again deals with method of recruitment which seems to be in contrast with those in Third Schedule.

2. In Rule 6(3), there is a reference to Tripura Dental Service Rules, 1990- Perhaps, there exist no such rule and the instant rule was conceived in 1990.

3. Rule 7(3) is not required, as rule-5 covers the issue.

4. The second proviso to Rule 7 (6) is not required, as it is the general principle followed everywhere.

5. It is better to specifically mention the principle of determining intra-seniority and inter-s-seniority instead of referring to the instructions of 1960. Accordingly, the provisions have been modified.

6. The proviso to Rule 8 (6) is not required as seniority with reference to confirmation is now a bad law.

7. 'Attachment' with Nursing Home etc. in Rule 14 is required to be defined. I have attempted a definition which may be examined by the department whether it will serve their purpose.

8. Reservation in promotion cannot now be introduced in any new service after Supreme Court judgement in Mandal Commission case. Therefore, Rule 18 has been modified to restrict the reservation only in direct recruitment.

9. The Repeal and Saving is not necessary if there exist no rule to regulate the service condition of the Dental Surgeons.

The draft rule, as modified, appear to be formally in order and may be approved.
