Sub: Request to coordinate district Labour department for availing deworming benefits to brickkilns and tea plantation sites in the upcoming National Deworming Day – February 2020 round

Madam/Sir,

As you aware that government of Tripura is committed towards availing deworming benefits to the age group 1-19 years since 2015. Though NDD is *anganwadis* and School based program, State is also availing deworming benefits to children (between 1-19 years) of brickkilns sites across the state in the National Deworming Day since February 2017. The same will be continued in the upcoming NDD round as well in the same treatment model.

2. Reiterating the decision taken earlier in the NDD State Coordination Committee Meeting held on December 27, 2019, state felt the need of support from Directorate of Labour department for effective coverage of brickkilns sites and tea plantation sites (where there is no *anganwadis* in the area) in the upcoming National Deworming Day as well.

3. In continuation this, a letter has been issued to the Labour Commissioner & Secretary, Government of Tripura for support in the upcoming NDD.

4. Hence, you are requested to coordinate respective Labour department and give direction to all concerned Block Nodal Officer (BNO) and below the level to prepare logistic plan accordingly to avail maximum deworming benefits to brickkilns sites and tea plantation sites in the upcoming NDD round.

Yours Faithfully,

Mission Director, NHM
