No. F.13 (3-62)-DFWPM/PHS/DEWORM/2018 (Sub-II)  

Dated December 2018

To
The Labour Commissioner & Secretary, 
Directorate of Labour, 
1st Floor, Old AMC building, Jacksongate Agartala

Sub: Request to support state initiative towards availing deworming benefits to brickkilns workers in the upcoming National Deworming Day (NDD), to be held on February 8, 2019 round in the state

Dear Sir,

As the state of Tripura moves towards the implementation of its eighth round of National Deworming Day round on February 8, 2019 followed by mop-up day on February 14, 2019. The state government continues to be committed to include more out-of-school children and hard to reach populations of the state into the program. A strong example of this drive has been the inclusion of out-of-school children (1 - 19 years) living in brickkiln communities since February 2017. The main challenge was setting target group of beneficiaries due to seasonal activity migratory in nature and coordination with brickkilns sites.

As per decision taken in the NDD State Coordination Committee Meeting held on December 11, 2018 at Shiksha Bhawan, Agartala under the chairmanship of Secretary, Health & Family Welfare, Government of Tripura, strongly felt the need for support from Directorate of Labour department for effective coverage of brickkilns sites in the upcoming National Deworming Day.

Following are expectation and support required from labour department:

1. Share details of brickkilns sites along target beneficiaries (1-19 years) as per prescribed format attached with state at nddtripura@gmail.com by January 18, 2019
2. District Labour department to mobilize brickkilns target beneficiaries in coordination with District Health & Family Welfare Society of each districts. (lists of district health officials attached in Annexure A)
3. Share details of designated officials with state at nddtripura@gmail.com by January 18, 2019 for ease of coordination at the field level.

In this regard you are requested to issue directions to your district level officers to support Health Department initiative towards maximum coverage of brickkilns sites in the upcoming NDD February 2019, and share a copy of the letter with State Nodal Officer, National Deworming Day program at the Department of Health (Email: nddtripura@gmail.com).

Handbill on National Deworming Day (both English and Bengali version) is enclosed herewith for facilitation of the same.

For further details please reach out to Dr. Deep Kumar Debbarma, State Nodal Officer, NDD (Mob.no – 9862670872/7005513426)

I look forward to cooperation from your end.

Thanking you,

Yours Faithfully,

(Dr. Shailesh K. Yadav, IAS) 
Mission Director, NMH 
Govt. of Tripura
